

AMI International Montessori Teacher Training 3-6 Diploma Course

Scholarship application

The following criteria apply for scholarship applications:

1. The student is a resident of an African country and holds an African Nationality.
2. The student can demonstrate a genuine need for financial aid.
3. The student can provide evidence that he/she is able to pay himself/herself or has sufficient funds from another donor to cover all personal expenses during the course (transportation, accommodation, living costs, personal stationery).
4. The student will pursue a career in Montessori Education in Africa. Priority consideration will be given to applicants who:
 - a. Work as a national trainer, lecturer, or teacher at a Montessori Training Centre in Tanzania or Kenya
 - b. Have worked in a Montessori school in East Africa
 - c. Plan to teach in a Montessori school or Training centre immediately following their training

Please explain why you wish to apply for a scholarship and how you plan to apply the knowledge and skills gained during the training. Specifically explain how you plan to support your community and also discuss how your longer-term plans contribute to a strong Montessori network in your country. Please give some examples and details around your motivation and commitment to Montessori education and your ambitions for the future.

Declaration of Intent:
